ABM resources: Authentic. Australian. Missional.

ABM is the national mission agency of the Anglican Church of Australia working with overseas and Aboriginal and Torres Strait Islander people and communities. We have a holistic view of God's mission. We work with Anglican Church partners and others to see lives empowered and transformed spiritually, materially and socially. We help the Anglican Church and the wider community realise and respond to the invitation for all to be a part of God's hope for the world. ABM believes in a world where all people enjoy God's promise of love, hope and justice. We work to see this belief become a reality.
