

Church to Church Projects – FY 2017-2018

Project Name	Description
<p>Catechesis of the Good Shepherd</p> <p><i>Anglican Church of Kenya</i></p>	<p>Activities include: 1- further Bishops Conference in the Western Region to further consolidate essential diocesan level support that will help the CGS to grow more easily across the Anglican Province of Kenya; 2- a Formation Leaders' Retreat for the 25 Kenyan leaders where there will be an opportunity to give in-service training and monitor leadership development; 3- the building of CGS into the curriculum of Nambale Teachers Training College; 4- further training as well as development and planting of atriiums in Bungoma Diocese, Nairobi central region and Makueni eastern region</p>
<p>Revitalising Men's Ministry to the Community</p> <p><i>Machakos and Makueni Dioceses, Anglican Church of Kenya</i></p>	<p>In the two dioceses, women traditionally have filled more pews and volunteer positions and participated more in activities. This project aims to encourage men (including young men) in the Church to get more involved. Project activities include: 1- Conferences and Seminars about relational and curriculum-based topics affecting men in the church and the society; 2- environmental events such as increasing the vegetation through planting indigenous trees and getting involved in clean-up exercises; 3- Men's prayer breakfast; 4- mentorship program; 5- community activities such as visiting children in schools, prisoners, the orphans, widowers, persons living with disability and visiting the sick.</p>
<p>Establishment of St Peter's Language and Training Centre at St Peter's Bible School</p> <p><i>Taungoo Diocese, Church of the Province of Myanmar</i></p>	<p>The project is designed to establish English Language Centre, Computer and Musical Training for the young people from different parishes. The Teachers' Council of St Peter's Bible School will implement the training. It is planned to establish the Anglican Summer Course which offers English language, computer and musical training in the St Peter's Bible School using some of the school buildings. This project will help the children and young people from different parishes and communities in their ongoing education process and their commitment to church ministry.</p>
<p>Motorbikes for Mission</p> <p><i>Sittwe Diocese, Church of the Province of Myanmar</i></p>	<p>The project involves purchasing of 5 motorbikes and re-building the bridge that connects Long Chang Village and the church compound. The Diocesan Office staff and priests will use the motorbikes (instead of walking) in traveling to the remote places of Sittwe Diocese, looking after the 26 parishes and 19,400 church members, doing pastoral care and mission trips, and proclaiming the gospel. The bridge that connects Long Chang Village and the church compound was built by the church some 20 years ago. It is now looking old and unsafe especially during rainy season. 53 families out of the 74 households in the village are members of the church.</p>

Project Name	Description
<p>Securing the Future of the Church in PNG</p> <p><i>Newton Theological College, Anglican Church of Papua New Guinea</i></p>	<p>A holistic project aiming to improve learning and living conditions. It involves curriculum development, teacher development and site maintenance.</p>
<p>St John's Seminary-Clergy Theological Training</p> <p><i>Church of the Province of Central Africa – Zambia</i></p>	<p>Ongoing support towards: 1- study fees of students/ordinands taking up Bachelor of Theology and BA Hon Degree at North West University; 2- salaries of staff and visiting lecturers; 3- library books and student's personal libraries; 4- internet facility; and 5- lay ministry</p>
<p>Encounter Program</p>	<p>This project offers a variety of unique opportunities for clergy and lay people from ABM's partner churches overseas. One of the most recent experiences has been that of Nant Hnin Hnin Aye (Snow). The recipient of the first scholarship in partnership with the Church of the Province of Myanmar, Snow, is studying for a PhD in Theology at Trinity College in Melbourne. She hopes to finish in April 2019.</p>
<p>Moving the Churches for Evangelism</p> <p><i>Diocese of Egypt – Good Friday Gift</i></p>	<p>The project aims to evangelize different communities in Egypt in different areas. The evangelism committee will reach out different parishes in the diocese to increase their awareness towards evangelizing their local communities. This is followed by performing outreaches and organizing evangelistic events and programs like Alpha course and different revival programs.</p>
<p>EpiscoCare Health Program</p> <p><i>Diocese of Egypt – Good Friday Gift</i></p>	<p>The program is based on preventative healthcare approach that involves providing needed medical services as well as improving beneficiaries' knowledge and practices concerning the environment and health issues. At their centres in different locations, children will be provided with health check-ups, poor people will receive treatment for urgent diseases, and trainees attending seminars will increase their awareness on relevant health issues.</p>
<p>Famagusta Student Chaplaincy</p> <p><i>Diocese of Cyprus and the Gulf – Good Friday Gift</i></p>	<p>Ongoing support for the Chaplain resident in Famagusta who will: 1- provide Chaplaincy services to a substantial Christian population within a Muslim jurisdiction; 2- nurture young people who will become leaders in their home societies, primarily in Africa; and 3- provide Intern opportunity, for someone considering a vocation, to experience the breadth of the Anglican Communion in a unique setting</p>

Project Name	Description
<p>Empowering Youth with Disabilities</p> <p><i>Diocese of Jerusalem</i> – Good Friday Gift</p>	<p>The Jerusalem Princess Basma Centre runs a vocational training program at its Sheltered Workshop to empower adult persons with disabilities. This program also aim to develop their capacities and provide them with avenues of equal job opportunities. There are 24 persons with disabilities who are currently enrolled. The training consists of carpentry, weaving of traditional coffee stools, producing sea grass baskets, and simple home furniture and accessories by integrating wood with ceramic tiles. The project is about developing a new product line by adding wool and integrating it into wood to produce new items such as hangers, boxes, coffee stools, etc.</p>
