## Thank you for taking part in the Anglican Board of Mission's School Project 2016.

**Thank you for being a part of ABM's School Appeal 2016. Your fundraising will help ABM's Partners to educate and prepare local communities for emergency situations caused by human conflict and natural disasters. To begin fundraising, please read below:**

The school Chaplain or school committee representative may inform teachers of this appeal. It would be appreciated if the money boxes provided could be shared throughout classrooms. Posters, newsletter article and advertisement and flyers can be distributed throughout the school.

A specific day, week or month can be nominated for fundraising to take place. Feel free to get creative and host a school fundraiser – ideas may include a concert, cake bake-off or mufti day!

**We have provided the following components for a team leader to use, for promotional purposes. The pack includes;**

1 x A3 Poster

1 x Donation & Instruction leaflet

1 x Fact Sheet

1 x 'From the field- Jessica's Story'

1 x Appeal Flyer

1 x School Newsletter Advertisement. (This can be used in your school emails also).

10 x Money Boxes

If you would like to download extra copies of the Time For Change material to put around your school then please visit:
