# A Prayer Resource for Mission

## Welcome to ABM's 2011 Prayer Diary

n the final pages of this Prayer Diary ABM highlights the Five Marks of Mission that ground its work. Among them are standing in solidarity with the poor and needy, challenging injustice and oppression, and protecting, caring for and renewing life on our planet. In building welcoming, transforming communities of faith we witness to Christ's saving, forgiving and reconciling love for all people.

Praying and giving thanks are central parts of our faith. The Prayer Diary is a wonderful resource providing daily focus for prayer in areas where ABM is at work. It also highlights the global environment and the broad range of areas where ABM has an impact. It makes for inspired and informed praying.

As Christians we are called to express Christ's compassion for the poor and to work for justice. Prayer and action go hand in hand. The deeper and more profound our prayer the wiser and more effective will be our work for Christ in the world. There is so much to do and this can all be helped by our dedicated prayer.

I commend this Diary to you and I congratulate the many people who were part of putting it together. I trust and pray Anglicans across the nation will use its pages to pray and align themselves with God's mission in our world.

# **Aboriginal and Torres Strait Islanders**

The missions with Aboriginal and Torres Strait Islanders of last century have given way to a new era of leadership. It is one where the original inhabitants of Australia are leading their own Christian ministry within the Church. Into the future, ABM will support projects that engender leadership and community among Australia's original people. ABM currently supports Aboriginal and Torres Strait Islander projects in New South Wales, Victoria, Queensland and the Northern Territory.

- Pray that all Australians may be reconciled with one another and acknowledge this country's recent history with its original owners
- Give thanks and pray for the dedication and commitment of the Revd Tom Slockee, the Revd Gloria Shipp and all other Aboriginal and Torres Strait Islander priests and leaders who work so hard living the Gospel
- Pray for NATSIAC as they go through periods of change
- Pray that all Aboriginal and Torres Strait Islander children will receive a proper education

#### ...and the Diocese of Adelaide and the Most Reverend Jeffrey Driver

Prince of peace, we give you thanks for the Melanesian Brothers who gave their lives trying to establish peace and reconciliation in the Solomon Islands in 2003.

May their great example of steadfastness to the end become a gift of the Anglican Church of Melanesia to Anglicans in this country, and may it continue to inspire our sisters and brothers in the Solomon Islands, in Vanuatu, and in New Caledonia to be faithful to the end.

A youth group in Vanuatu. There is a large proportion of youth in Vanuatu and this combined with close proximity to other Pacific countries and little HIV awareness, creates an increasing risk of HIV. Around 13% of the population identifies with the Anglican Church of Melanesia so through this partnership ABM works to educate the youth and the wider population in both health awareness and literacy. © Don Brice/ABM 2008.

# Myanmar (Burma)

Poverty in Myanmar stands at 32% (UNDP). These people have insufficient income to cover food and other basic items. In the poorest regions of Myanmar 73% of people live below the poverty line (UNDP). to Joseph in a dream and said, 'Get up, take the child and his mother, and flee to Egypt, and remain there until I tell you; for Herod is about to search for the child, to destroy him.' – Matthew 2:13

The Episcopal Diocese of Egypt with North Africa and the Horn of Africa covers a vast area including Ethiopia and Egypt. In Ethiopia, Bishop Andrew Proud is working with entire communities to further God's mission. The annual Assembly in Gambella offers clergy and lay leaders an opportunity for story-sharing and to work through problems together.

- Pray for the Rt Revd Andrew Proud and the work he is doing in the Horn of Africa

Lord, you fled with your family to Egypt, the place where your forebears were enslaved! Yet it was in Egypt that refuge and protection was offered to you. We pray that the Episcopal Diocese of Egypt with North Africa and the Horn of Africa may offer a refuge from sin, and protection from evil by proclaiming you, the God who saves, to the world.

Prosper their diocesan evangelistic effort, bless their work in the community and bind them together with all your saints for ever and ay.

In partnership with the Amity Foundation in China work is underway to promote local women's awareness of health care and ultimately to encourage them to promote their own health issues through education, physical check-up, publicity and women's associations. This project will improve women's health in poverty stricken areas. Work is also being done to prevent the spread of HIV and to educate the women about disease.

I had said in my alarm, 'I am driven far from your sight.' But you heard my supplications when I cried out to you for **help.** 

– Psalm 31:22

More than 300 disasters killed more than 235,000 people, affected more than 200 million others and caused losses and damage worth USD 181 billion in 2008 (UNDP). In the wake of the earthquake that hit Haiti in 2010 ABM launched an emergency appeal that offered funds to Episcopal Relief and Development (ERD). They worked closely with the Diocese of Haiti to ensure support was offered on the ground.

# **HIV and AIDS**

High levels of under-reporting of HIV and AIDS in the Pacific make it difficult to estimate the scale of the disease. UNAIDS estimates that there are 54,000 people living with HIV in PNG while reported cases total 28,294. ABM is working in a number of countries to prevent HIV and AIDS by educating local people about the disease. Through the care of those suffering from the disease as well as education to the wider community, ABM is able to lessen the social stigma of those with HIV and prevent more cases.

- Give thanks for ABM's HIV and AIDS projects in Papua New Guinea, Kenya and Zambia

Theological education is important to the ongoing growth of the Church. By training clergy in their own language and within their own culture many benefits are achieved. ABM funds theological colleges in Australia, Papua New Guinea and Zambia, and supports ministry in Vanuatu and the Philippines. ABM's Church to Church program also supports the development of theological education.

# Water and Sanitation

Over 884 million people continue to use unsafe drinking water sources and almost half of the developing world's population – 2.5 billion people – lack appropriate sanitation facilities (UNICEF). Local villages in PNG, Myanmar, Vanuatu and the Philippines are funded by ABM to build clean water systems and ensure these remain sustainable, through training and workshops.

- Pray for the Anglican Church as it builds water systems that will provide safe drinking water to local communities
- · Pray that people everywhere will have safe water to use
- Pray for the people of Jimi Valley in Papua New Guinea that their water system will be built
- · Pray that no child will die from unsafe water

#### ... and the Diocese of Perth and the Most Reverend Roger Herft

God, our souls crave you like dried up land that is thirsty for water. Pour out your blessings on our overseas partners' water, sanitation and health projects so that the communities in which they are located may rejoice in clean, disease-free water.

May we never take this gift of yours for granted.

Day **19** 

40

Jesus said, 'I am the true vine, and my Father is the vine-grower. He removes every branch in me that bears no fruit. Every branch that bears fruit he prunes – to make it bear more fruit. – John 15:1-2

## **The Environment**

If temperatures rise by two degrees Celcius in sub-Saharan Africa, an additional 600 million people in the region could face hunger, new epidemics of mosquito-borne diseases and agricultural losses of up to US\$26 billion by 2060 (UNDP). Such statistics are real threats for many places where ABM works. ABM brings hope to farmers by funding programs that provide communities with equipment and fertiliser for their crops. ABM is also exploring ways of reducing its own environmental footprint.

- Pray for the guidance to care for our environment and work towards sustainable environmental solutions around the world
- Give thanks for those who support ABM's work amongst farmers in developing countries
- Pray for continuing success of these farming projects; that the local communities are benefitting from them and are able to support their families

...and the Diocese of Riverina and the Right Reverend Dr Doug Stevens

Creator of all, in your mercy you made plants of every kind to delight the senses, to nourish and to heal the body, and to provide materials with which to build. We thank you for the work ABM's partners do to repair environmental degradation, to promote food security or to provide work for communities who need income. Blessed are you, Creator of all.

#### **Personal Prayers**

# **Education and Literacy**

Literacy is low in developing countries and education is not offered to all in these communities. Educating children and women is an important part of ABM's programs and ensures that individuals, as well as whole communities, develop. Literacy skills are developed through programs funded by ABM in PNG, the Solomon Islands and Vanuatu.

- Give thanks for all people working to improve literacy and education in developing countries

Assist us, Word of God,

to help the spread of education and literacy among ABM's Partners. May your Spirit bring gifts of interpretation and understanding to those who learn in our Partners' schools and colleges, and may those who teach in them ever delight to share the knowledge and skills that you, O God, have given them.

# Do not envy the violent and do not choose any of their ways.

## Peace

Let us pray for peace; for an end to war, violence and oppression. ABM challenges injustice and oppression through its peace-building programs in the Solomon Islands and by funding Christian ministry throughout the world.

- Pray for peace amongst all people and ask for God's protection for those who suffer
- Pray that unrest in Korea, Myanmar and Africa will subside and bring peace to those living without hope
- Pray for all who suffer from violence and oppression in their homes, especially women and children, and ask that the work of the Christian Care Centre continue in God's name

#### ...and the Diocese of Sydney and the Most Reverend Dr Peter Jensen

Christ, may we see your face in every person, and honour and respect your image whenever we see it.

Forgive, we pray, the grotesque caricature of love that reveals itself through whacks and wallops.

Empower the victims of domestic violence, and those who know that it is taking place, to speak out against it wherever they are, whether in Australia or beyond our borders.

#### **Personal Prayers**

# Health

Lack of access to healthcare contributes to the cause of many unnecessary deaths in developing countries. Globally there are more than 100 million people are pushed into poverty every year by the need to pay for healthcare (WHO). For ABM, developing health centres, particularly in rural areas, is essential to preventing and treating illness and disease in developing countries.

- Pray for the mothers, the children and their families everywhere; that their health and lives are improving
- Pray for those working for Anglican Health Services and Mr Ulch Tapia, the Health Secretary in Papua New Guinea
- Pray for all the ABM projects that contribute to better health by supplying clean water and sanitation together with providing hope through the sharing of God's Word

# ...and the Diocese of Tasmania and the Right Reverend John Harrower

Jesus, you heal those who are ill in body, mind or spirit. Be with the doctors, nurses and carers who work in the hospitals and medical centres of ABM's Partners. May the sick find your love as they are cared for, and see your face in those who seek to restore them to health.

# I will **heal** them and reveal to them abundance of **prosperity** and security.

- Jeremiah 36:6b

- Matthew 18:3

## Children

Care for children has long been a priority of the Anglican Church. Yet, nearly 11 million children aged under five die in developing countries each year (UNICEF). Many of ABM's programs support children in developing countries and indigenous Australia through education, healthcare and resources.

- Give thanks for the work of the Anglican Church of Papua New Guinea and the Episcopal Church in the Philippines for the high priority they place on ministry with children and youth
- Pray for the support and good health of mothers and children
- Give thanks for the many helpers who work with the children and young people in their church activities

#### ...and the Diocese of The Murray and the Right Reverend Ross Davies

In Africa they say that the world was not left to us by our parents, but rather, it has been lent to us by our children. God, let us then strive to make this world a better place by valuing love over exploitation, forgiveness over revenge, people over profit, so that your kingdom may be realised on earth.

# **Families**

Today, an average Anglican is female, black, 23 years of age and lives in Africa. Education and healthcare to mothers and children in developing countries are priorities in many of ABM's programs. The support of the family is also recognised at the ministry training centres with which ABM partners. Here, through assistance to wives and children, husbands can continue their theological education.

• Pray for all of ABM's programs that offer support to families in rural villages by offering water, health care and education

...and the Diocese of the Northern Territory and the Right Reverend Gregory Thompson

Help us, Jesus our brother, to discern the will of God and to do it so we might be reckoned a part of your family by you.

#### **Personal Prayers**

# Then Jesus' mother and his brothers came;

and standing outside, they sent to him and called him. A crowd was sitting around him; and they said to him, 'Your mother and your brothers and sisters are outside, asking for you.' And he replied, 'Who are my mother and my brothers?' And looking at those who sat around him, he said, 'Here are my mother and my brothers! Whoever does the will of God is my brother and sister and mother.' - Mark 3:31-35

# Since there will never cease to be some in **need** on the earth, I therefore command you, 'Open your **hand** to the poor and needy neighbour in your land.'

- Deuteronomy 15:11

# Poverty

More than half the global population struggle to survive on less than two dollars per day (UNDP). ABM is developing global partnerships which help the alleviation of poverty.

- Pray for the work of ABM and other mission agencies as we aim to reduce poverty around the world so that the number of those suffering from hunger can be lessened
- Pray for all those who live in poverty
- Give thanks for those who give generously to our programs so that we can offer support to those suffering from poverty

...and the Diocese of Wangaratta and the Right Reverend John Parkes

Jesus, our brother, your ministry on earth teaches us that the poor and needy have a special place in your heart.

Help us always to remember that whenever we feed those who are hungry, or give a drink to the thirsty, or welcome those who are strangers, or clothe the naked, or tend the sick, or visit those who are prisoners, in your name, then we do that to you.

> May we never forget that you are to be found in the slums as well as in the highest heaven.

# **Religious Orders**

The Anglican Church of Melanesia works with a number of religious orders in Vanuatu and the Solomon Islands. The Melanesian Brothers is the largest and longest established order. The Sisters of Melanesia were established in 1980 when four women took vows of obedience, chastity and poverty. Today there are around 110 sisters.

- Give thanks for Anglican religious orders and for their lives, which witness to Christ wherever they find themselves
- Pray for the Melanesian Brotherhood and their work to reach out to the whole community
- Pray for the Sisters of the Church and the Sisters of Melanesia, and give thanks for the care they offer to women in need at the Christian Care Centre

# ...and the Diocese of Willochra and the Right Reverend Garry Weatherill

God for whom we yearn, we thank you that you have given us the example of religious orders to encourage us to pray and to prod us into action.

Send your blessings on the monks and nuns, friars and sisters who have surrendered their lives to you.

May we always remember to pray for them regularly and to support their needs so that they can continue to respond to your call.

Now concerning love of the brothers and sisters, you do not need to have anyone write to you, for you yourselves have been taught by God to love one another; and indeed you do love all the brothers and sisters throughout Macedonia. But we urge you, beloved, to do so more and more.

- 1 Thessalonians 4:9-10a

## **ABM Appeals**

The donations and prayers from ABM's supporters are what make much of ABM's work possible. Every year our appeals work to fund existing programs and support new needs as well as offer financial support when disasters occur around the world.

- Pray for the success of this year's appeals
- Pray that parishes around Australia are able to honour their financial commitments
- Pray that funds will be donated for the work that God would have us do on this earth
- Give thanks for those who generously donate to ABM's programs

#### ... and pray that ABM may gain 1,000 more supporters this year.

Lord, we in Australia have much to be thankful. Help us to realise this, and to share the gifts we have with those who have little.

Inspire us as a nation to be generous and compassionate, interested in the world's affairs, wanting to give without having to be asked. May support for ABM's appeals grow so that more and more people may come to know you, the God of grace.

# **Mission Committees and Secretaries**

Around the Dioceses of Australia, there are many people who contribute to the work of ABM by volunteering and being a part of diocesan or parish mission committees. This support is an integral part of ABM's work and these groups contribute invaluable assistance to ABM's belief in holistic mission. As God calls us to serve people in all aspects of their lives, from the spiritual to the practical, we give thanks for the work of mission committees throughout the Anglican Church.

- Pray for mission committees, that they may provide sound guidance in the mission of each diocese
- Pray for the mission secretary in your own parish and give thanks for their work
- Pray that more people may take up the call of mission in their own communities showing God's love to the world

#### ... and pray also for theological colleges

*Trinity-in-Unity, we give you thanks for all who serve the Church as mission secretaries in their parishes, or on diocesan mission committees.* 

May their enthusiasm and commitment refresh your Church's dedication to winning souls and to providing for the material needs of those in want so that all we who call ourselves Christians may never forget what you call us to do.

#### **Personal Prayers**

Norma Noble has been a supporter of ABM at a parish level since arriving in Australia over twenty years ago. She is an active member of the Perth Diocesan Committee and also works to assist with the promotion of the ABM Auxiliary, where she has served two terms as National Vice-President.

# The Anglican Communion

The Anglican Communion has member Churches around the world in more than 160 countries. There are 38 provinces and over 80 million members whose churches are held together by bonds of affection and a loyalty expressed by four instruments of communion: the Archbishop of Canterbury, the Lambeth Conference, the Primates' Meeting and the Anglican Consultative Council.

- Pray for the 'Instruments of Communion'
- Give thanks for the work of the Revd Canon Kenneth Kearon and the staff of the Anglican Communion Office
- Pray for continued respect and friendship around the Anglican Communion
  - ...and pray for the National Council of Churches

We thank you, Three-in-One God, that you bind us to our overseas partners through the world-wide Anglican Communion.

Bless Rowan, our chief bishop, and may we who live beneath the Southern Cross always remember the needs of your Church in other parts of the world.

# God's Mission

We support our partners – from Australia to Zambia – in order that they may live out God's mission as they see it in their community. ABM's vision is to see people everywhere experience the wholeness of life that God offers in Jesus Christ. By proclaiming the good news and by helping communities to develop, ABM helps to share God's love with our partners around the world.

- Pray for the Mission Department at the Anglican Communion office and for the Revd John Kafwanka and Stuart Buchanan
- Give thanks for the work of the Evangelism and Church Growth Initiative
- Pray for its convenor, the Rt Revd Patrick Yu

...and give thanks for the continuing efforts to establish an Anglican relief, development and advocacy alliance

Trinity of love, your mission calls all humanity to turn towards you and share in the divine life. May we, the Church, respond to your mission by effective words empowering action and extravagant love that is compelling enough to turn even the hardest heart to you.
